IMPORTANT NEWS ABOUT YOUR DASA REWARDS APP
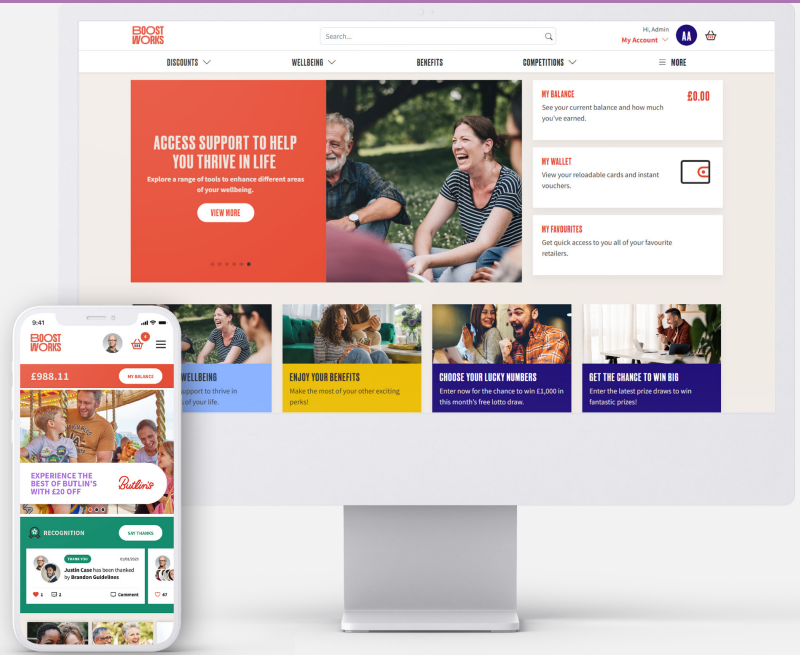

DASA REWARDS

IMPORTANT NOTICE:

OUR DISCOUNTS SCHEME IS UPDATING ON 14 JANUARY 2024

Our discounts scheme, DASA Rewards, is being updated on Sunday 14th of January 2024. As a result, DASA Rewards and the SavingSpace App will be unavailable from 9pm on 14th January for approximately four hours.

So, if you are planning to use a discount or explore some of our savings, make sure you plan ahead and avoid logging in at that time!

After the update, you will need to download the replacement Boostworks App to access your DASA Rewards account. Your username and password will be the same, and we recommend you delete the previous version.

Don't worry, you will still have access to the same great discounts, but the experience will just be slightly different and you will be able to spend your cashback balance on vouchers and gift cards!

Look out for more info, coming after the update.

The revered and much-used DASA Rewards App (and desktop portal) is changing as of Sunday the 14th of January 2024, to provide our contractors with an improved and enhanced employee benefits platform. The existing SavingSpace App is being replaced by the new Boostworks App, although login details will remain the same. Users will retain all their existing loyalty benefits once they have downloaded and opened the new replacement BoostWorks App.

To enable the transition to the new platform, access to DASA Rewards (and the SavingSpace App) will not be accessible from 9pm on Sunday 14th January for approximately four hours. By the following Monday morning, the new DASA Rewards will be available to all our contractors once they have downloaded the new Boostworks App.
